Determination: Exempt

Your research activities meet the criteria for exemption as defined by Federal regulation 45 CFR 46 under the following:

Exempt Category 3 - Benign Behavioral Intervention

Research involving benign behavioral interventions where the study activities are limited to adults only and disclosure of the subjects' responses outside the research could not reasonably place the subjects at risk for criminal or civil liability or be damaging to the subjects' financial standing, employability, educational advancement, or reputation. Research does not involve deception or participants prospectively agree to the deception. 45 CFR 46.104(d)(3)

All members of the research team must adhere to the policies as outlined in the [Investigator Responsibilities for Exempt Research](#). If the facts surrounding your evaluation change, you are required to submit a new Exempt Evaluation. Research records may be audited at any time during the conduct of the study.
